Phil, Ell and Nick

Hello. We (Phil, Ell and Nick) would like very much to be the Bar Reps for Osler House!

Why Us?

We are **keen and committed**:

- amended the Osler constitution so we can run in a three
- spoken to the previous reps / Osler staff
- didn't run for anything else, because all we care about is the Osler Bar!

We've got **time**, and with three of us, you can be assured we'll be able to split the work load and give you **fast, efficient service**. We'll be able to be **flexible** in our opening hours to suit you, and **available** to work the bar as much as possible.

We've got experience - we've all worked behind the Osler bar before, and run bops/college bars/event bars in our time, and we spend most of the rest of our lives in the pub anyway! Plus, Phil claims he can flip and catch 20 beer mats, which is surely worth a vote.

What We Can Offer

We want your bar to be **cheap**, have a good **variety** of **quality** drinks, be **open regularly and frequently**, be run by us **efficiently and economically**, and have a good atmosphere, with music and events. Essentially, more like a college bar.

We'd like to:

- introduce an 'on-call' system for opening
- introduce an Osler House signature cocktail, the recipe for which you can decide
- work with local drinks suppliers to get deals
- survey you before we make big purchases.
- work with the Entz team to put on pub quizzes, drink the bar dry nights, stock-exchange style price-crashes, link up with other events and societies
- make your drinking a little more fun, with yards of ale, beer bong, test-tube/syringe shots, and maybe even brew an Osler Beer or Cider!

So, if you want a **fun, cheap, well-run bar**, give us your vote, and we'll get the beers in!
